THE PTA DOES THAT?!?!

We provide funding for programs and resources like art teachers, outdoor movie night, BRAVO music instruction, the spring carnival, the garden program (materials and teaching curriculum), and funds for classroom supplies, field trips, and additional safety resources such as crossing guards and playground monitors. In addition to our membership drive, we hold several annual fundraisers to pay for these resources, including the fall direct donation drive, the spring Music Fest and Auction, and Spring Carnival Raffle. The PTA is able to provide a level of funding commitment to our children, which helps makes Birch Lane a special place to learn and grow. Here are some highlights:

PTA provides many educational enrichment opportunities for our children!

- Art teachers, BRAVO music, garden programs, and support for field trips including Sly Park and Challenger.
